

2009-2010 Danceology Dress Code:

Danceology's dress code is mandatory. The appropriate attire is required for each class. The appropriate type of shoe is also required.

Please **NO STREET CLOTHES**. Just as you would not show up to school in swim clothes, you should not arrive to dance class in street clothes.

NO JEWELRY IS ALLOWED!

For every class with the exception of ballet, hair is required to be pulled back in a pony tail with no bangs or fly-aways visible. For ballet, hair is required to be slicked back in a bun with no bangs or fly-aways and secured with bobby pins and a hair net.

You will only see professional tap dancers with a FULL sole tap shoe, and we want to start training our feet to be in this shoe as early as possible!
